

School Principals: With child safety, everybody has a responsibility.

RSA

Dear Principal

If you're hiring a bus for school transport, it is important to make sure the bus is safe and that the operator is legal and compliant.

The statistics are surprising - during RSA and Garda school bus checkpoints last year, **one in two buses** were found to have defects.

To ensure the safety of the children in your care, use the checklist on the back of this leaflet. Every time you hire school transport, photocopy this checklist and get the operator to complete it and hand it back to you.

If you have concerns about the roadworthiness or the condition of the bus please report these in confidence to the RSA at **Lo-call 1890 253 163** or email cvrtadmin@rsa.ie

Don't assume that someone else will.
